ABOUT US

We are an incoming LGBTQ+ travel agency based in Madrid that is specialized in large trips and groups in Spain. We offer the possibility of travelling from a diverse, equal and safe perspective, with tailor-made stays and activities to enjoy and get to know the destination while being oneself. In addition, we have also developed our own national and international itineraries, where you can get to know the best gay-friendly destinations in the world.

Spain is one of the main tourist destinations in the world thanks, among other things, to its culture, climate and the good quality of its tourist infrastructure. It is also one of the most advanced and tolerant countries in terms of diversity, which makes it perfect for an LGBTQ+ holiday.
